Full text of H-statements: see section 16

| SECTION 4: First aid measures               |     |  |
|---|-----|--|
| 4.1. Description of first aid measures      |     |  |
| First-aid measures general                  | :   | Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).  |
| First-aid measures after inhalation         | :   | Move to fresh air in case of accidental inhalation.  |
| First-aid measures after skin contact       | :   | Not expected to present a significant skin hazard under anticipated conditions of normal use. If skin irritation occurs: Get medical advice/attention.   |
| First-aid measures after eye contact        | :   | IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice and attention. |
| First-aid measures after ingestion          | :   | Rinse mouth out with water. Remove victim to fresh air and keep at rest in a position comfortable for breathing.   |
| 4.2. Most important symptoms and effects,   | bo  | th acute and delayed   |
| Symptoms/effects after inhalation           | :   | May cause irritation to the respiratory tract and to other mucous membranes.   |
| Symptoms/effects after skin contact         | :   | Not expected to present a significant skin hazard under anticipated conditions of normal use. If skin irritation or rash occurs: Get medical advice/attention.                                 |
| Symptoms/effects after eye contact          | :   | Causes eye irritation.   |
| Symptoms/effects after ingestion            | :   | May be harmful if swallowed.   |
| 4.3. Indication of any immediate medical at | ten | tion and special treatment needed  |
| Treat symptomatically.                      |     |  |

| SECTION 5: Firefighting measures                    |      |   |  |
|---|------|---|--|
| 5.1. Extinguishing media                            |      |   |  |
| Suitable extinguishing media                        | :    | Foam. Dry powder. Carbon dioxide. Water spray. Sand.  |  |
| Unsuitable extinguishing media                      | :    | Do not use a heavy water stream.  |  |
| 5.2. Special hazards arising from the subs          | stan | ce or mixture   |  |
| Explosion hazard                                    | :    | None known.   |  |
| Hazardous decomposition products in case of<br>fire | :    | fume. Carbon monoxide. Carbon dioxide.  |  |
| 5.3. Advice for firefighters                        |      |   |  |
| Firefighting instructions                           | :    | Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire fighting water from entering the environment. |  |
| Protective equipment for firefighters               | :    | Do not enter fire area without proper protective equipment, including respiratory protection.   |  |

| SECTION 6: Accidental release measures                                   |  |  |  |  |
|--|--|--|--|--|
| 6.1. Personal precautions, protective equipment and emergency procedures |  |  |  |  |
| General measures   | : Avoid contact with skin and eyes.                                  |  |  |  |
| 6.1.1. For non-emergency personnel                                       |  |  |  |  |
| Protective equipment   | : Wear suitable protective clothing, gloves and eye/face protection. |  |  |  |
| Emergency procedures   | : Evacuate unnecessary personnel.                                    |  |  |  |

#### 6.1.2. For emergency responders

| Drotootivo | aquinmont |  |
|------------|-----------|--|
| Protective | equipment |  |

Equip cleanup crew with proper protection.

Emergency procedures

Ventilate area.

#### 6.2. Environmental precautions

Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters.

·

:

#### 6.3. Methods and material for containment and cleaning up

Methods for cleaning up

Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collect spillage. Store away from other materials.

#### 6.4. Reference to other sections

For further information refer to section 8: "Exposure controls/personal protection". For disposal of residues refer to section 13: "Disposal considerations".

| SECTION 7: Handling and stor               | age  |
|--|--|
| 7.1. Precautions for safe handling         |  |
| Precautions for safe handling              | : Obtain special instructions before use.  |
| Hygiene measures                           | : Wash hands and other exposed areas with mild soap and water before eating, drinking<br>or smoking and when leaving work. |
| 7.2. Conditions for safe storage, includir | ng any incompatibilities   |
| Storage conditions                         | : Store in dry, cool, well-ventilated area.  |
| 7.3. Specific end use(s)                   |  |

Refer to section 1.

#### SECTION 8: Exposure controls/personal protection

8.1. Control parameters

No additional information available

#### 8.2. Exposure controls

#### Appropriate engineering controls:

Provide local exhaust or general room ventilation to minimize vapour concentrations. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure.

#### Personal protective equipment:

Avoid all unnecessary exposure.

#### Materials for protective clothing:

Wear suitable working clothes

#### Hand protection:

Wear suitable gloves tested to EN374. Gloves must be replaced after each use and whenever signs of wear or perforation appear

#### Eye protection:

Safety glasses. Use eye protection according to EN 166, designed to protect against liquid splashes.

#### Skin and body protection:

Long sleeved protective clothing

#### Respiratory protection:

Not expected to present a significant inhalation hazard under anticipated conditions of normal use. In case of inadequate ventilation wear respiratory protection.

#### Other information:

Do not eat, drink or smoke during use.

| SECTION 9: Physical and chemical properties                |                     |  |  |
|--|---------------------|--|--|
| 9.1. Information on basic physical and chemical properties |                     |  |  |
| Physical state   | : Liquid            |  |  |
| Colour   | : Colourless.       |  |  |
| Odour  | : Floral.           |  |  |
| Odour threshold  | : No data available |  |  |
| pH   | : 99.0              |  |  |
| Relative evaporation rate (butylacetate=1)                 | : No data available |  |  |
| Melting point  | : No data available |  |  |
| Freezing point   | : 0°C               |  |  |
| Boiling point  | : 100 °C            |  |  |
| Flash point  | : > 100 °C          |  |  |
| Auto-ignition temperature                                  | : No data available |  |  |
| Decomposition temperature                                  | : No data available |  |  |
| Flammability (solid, gas)                                  | : Not applicable    |  |  |

| Vapour pressure                  | : No data available |
|----------------------------------|---------------------|
| Relative vapour density at 20 °C | : No data available |
| Relative density                 | : No data available |
| Density                          | : 1.04 g/ml         |
| Solubility                       | : Soluble in water. |
| Log Pow                          | : No data available |
| Viscosity, kinematic             | : No data available |
| Viscosity, dynamic               | : No data available |
| Explosive properties             | : No data available |
| Oxidising properties             | : No data available |
| Explosive limits                 | : No data available |
| 9.2. Other information           |                     |
|                                  |                     |

No additional information available

| SECTION 10: Stability and reactivity  |
|---|
| 10.1. Reactivity  |
| None under normal conditions.   |
| 10.2. Chemical stability  |
| Stable under normal conditions.   |
| 10.3. Possibility of hazardous reactions  |
| Hazardous polymerization will not occur.  |
| 10.4. Conditions to avoid   |
| Do not expose to heat.  |
| 10.5. Incompatible materials  |
| None under normal conditions.   |
| 10.6. Hazardous decomposition products  |
| Combustion may produce irritating fumes. fume. Carbon monoxide. Carbon dioxide. |

| SECTION 11: Toxicological information      |   |   |  |  |
|--|---|---|--|--|
| 11.1. Information on toxicological effects |   |   |  |  |
| Acute toxicity (oral)                      | : | Not classified (Based on available data, the classification criteria are not met) |  |  |
| Acute toxicity (dermal)                    | : | Not classified  |  |  |
| Acute toxicity (inhalation)                | : | Not classified  |  |  |
| Sodium octyl sulfate (142-31-4)            |   |   |  |  |
| LD50 oral rat                              |   | 3200 mg/kg  |  |  |

| Alcohols, C12-15, ethoxylated (68131-39-5)          |   |   |                          |
|---|---|---|--------------------------|
| LD50 oral rat                                       |   |   | 1600 mg/kg               |
| LD50 dermal rabbit                                  |   |   | 2500 mg/kg               |
| Skin corrosion/irritation                           |   | Not classified (Based on available data, the classificati pH: 9 9.0               | on criteria are not met) |
| Serious eye damage/irritation                       |   | Causes serious eye irritation.<br>pH: 9 9.0                                       |                          |
| Respiratory or skin sensitisation                   | : | Not classified (Based on available data, the classification criteria are not met) |                          |
| Germ cell mutagenicity                              | : | Not classified (Based on available data, the classification criteria are not met) |                          |
| Carcinogenicity                                     | : | Not classified (Based on available data, the classification criteria are not met) |                          |
| Reproductive toxicity                               | : | Not classified (Based on available data, the classificati                         | on criteria are not met) |
| STOT-single exposure                                | : | Not classified (Based on available data, the classificati                         | on criteria are not met) |
| STOT-repeated exposure                              | : | Not classified (Based on available data, the classificati                         | on criteria are not met) |
| Aspiration hazard                                   | : | Not classified (Based on available data, the classificati                         | on criteria are not met) |
| Potential Adverse human health effects and symptoms | : | Based on available data, the classification criteria are r                        | not met.                 |

| SECTION 12: Ecological information |   |  |  |  |  |
|------------------------------------|---|--|--|--|--|
| 12.1. Toxicity                     |   |  |  |  |  |
| Ecology - general                  | This product is not hazardous. The product components are not classified as<br>environmentally hazardous. However, this does not exclude the possibility that large or<br>frequent spills can have a harmful or damaging effect on the environment. |  |  |  |  |
| Acute aquatic toxicity             | : Not classified  |  |  |  |  |

| Chronic aquatic toxicity :               | Not classified                    |                  |
|--|-----------------------------------|------------------|
| 12.2. Persistence and degradability      |                                   |                  |
| Advanced Dazzle Drops Cleaner            |                                   |                  |
| Persistence and degradability            |                                   | Not established. |
| 12.3. Bioaccumulative potential          |                                   |                  |
| Advanced Dazzle Drops Cleaner            |                                   |                  |
| Bioaccumulative potential                |                                   | Not established. |
| 12.4. Mobility in soil                   |                                   |                  |
| No additional information available      |                                   |                  |
| 12.5. Results of PBT and vPvB assessment |                                   |                  |
| No additional information available      |                                   |                  |
| 12.6. Other adverse effects              |                                   |                  |
| Additional information :                 | Avoid release to the environment. |                  |
|  |                                   |                  |
|  |                                   |                  |

| SECTION 13: Disposal considerations |   |  |  |  |
|-------------------------------------|---|--|--|--|
| 13.1. Waste treatment methods       |   |  |  |  |
| Waste treatment methods             | : | Dispose of empty containers and wastes safely. |  |  |

Net dessified

Product/Packaging disposal recommendations

Ecology - waste materials

Observing a supplication to subsidiate

- Dispose of empty containers and wastes safety.
   Dispose in a safe manner in accordance with local/national regulations.
- recommendations . Dispose in a sal
  - : Avoid release to the environment.

### SECTION 14: Transport information

| In accordance with ADR / RID / IMDG / IATA / ADN |               |               |               |               |  |  |
|--|---------------|---------------|---------------|---------------|--|--|
| ADR  | IMDG          | ΙΑΤΑ          | ADN           | RID           |  |  |

14.6. Special precautions for user

#### **Overland transport**

Not regulated

#### Transport by sea

Not regulated

#### Air transport

Not regulated

#### Inland waterway transport

Not regulated

#### Rail transport

Not regulated

14.7. Transport in bulk according to Annex II of Marpol and the IBC Code Not applicable

#### SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

Contains no REACH substances with Annex XVII restrictions Contains no substance on the REACH candidate list Contains no REACH Annex XIV substances Directive 2012/18/EU (SEVESO III)

#### 15.1.2. National regulations

Germany Reference to AwSV

1

12th Ordinance Implementing the Federal Immission Control Act - 12.BImSchV

#### Netherlands

SZW-lijst van kankerverwekkende stoffen

SZW-lijst van mutagene stoffen

NIET-limitatieve lijst van voor de voortplanting giftige stoffen - Borstvoeding

NIET-limitatieve lijst van voor de voortplanting giftige stoffen - Vruchtbaarheid

NIET-limitatieve lijst van voor de voortplanting giftige stoffen – Ontwikkeling

#### Denmark

Danish National Regulations

#### 15.2. Chemical safety assessment

No chemical safety assessment has been carried out

#### SECTION 16: Other information Abbreviations and acronyms: CLP Classification Labelling Packaging Regulation; Regulation (EC) No 1272/2008 ADN European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways ADR European Agreement concerning the International Carriage of Dangerous Goods by Road International Air Transport Association IATA International Maritime Dangerous Goods IMDG PBT Persistent Bioaccumulative Toxic REACH Registration, Evaluation, Authorisation and Restriction of Chemicals Regulation (EC) No 1907/2006 RID Regulations concerning the International Carriage of Dangerous Goods by Rail vPvB Very Persistent and Very Bioaccumulative Sources of Key data REGULATION (EC) No 1272/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 December 2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006. Other information None.
